## Return to Play Plan.

---

### Overview

This document is the guideline for Wynnum & Districts Darts Inc. (WDD) to recommence play. WDD runs its games out of the Wynnum Junior Rugby League Football Club (WJRLFC) and they are members of Clubs Queensland who also monitor their members in the return to opening.

WDD acknowledges that any changes to these standards need to be approved by Darts Queensland.

### Training

All committee members of WDD have completed Covid-19 Training and Certificates have been supplied to Darts Queensland. We also understand all the staff of WJRLFC have also completed their training and have opened the club last week.

All members will be encouraged to download the Covid19 Keep Safe app.

### Sanitizers and Hygiene

- Hand Sanitizers have been placed at each entrance to the venue, and on each table, bar and soap dispenser in the facilities. Appropriate signage has been placed beside these items.
- It is compulsory for each person to use hand Sanitizers on entry to the premises, this has been and will be monitored by committee members as well as the staff of Wynnum Juniors.
- Tissues at entrance and on each table
- Rubbish bins will be available for discarded tissues and wipes
- Handwashing methods have been displayed (refer signage).
- Sanitizer wipes have also been made available.

The practice of good hygiene is encouraged & practised by the club & it's members, which is summarised below;

- cover your coughs and sneezes with your elbow or a tissue
- put used tissues straight into the bin
- wash your hands often with soap and water, including before and after eating and after going to the toilet
- use alcohol-based hand sanitisers
- avoid touching your eyes, nose and mouth

### Return to Play Plan.

---

- clean and disinfect frequently used surfaces such as benchtops, desks and doorknobs
- clean and disinfect frequently used objects such as mobile phones, keys, wallets and work passes.

#### Health

Any person who attends showing any signs of a cold, flu or like symptoms will be requested to leave the premises immediately and not return until the symptoms pass. This will also be monitored and applied by Wynnum Juniors.

#### If a person contracts COVID-19.

The detection of a positive COVID-19 case in our club will result in a standard public health response, which include quarantine of large groups and close contacts, for the required period. We will advise every person who was in contact with that person on the night of play., this will be done by consulting our log.

- Further information can be obtained by calling 1800 020 080 or consulting [www.healthdirect.gov.au](http://www.healthdirect.gov.au)
- WDD will ensure that the person's privacy is maintained at all times and will not divulge the name of the person who has contracted COVID-19 only the situation.

#### Attendance

A register of patrons is required by WJRLFC and we are working closely with them to come up with a common register of all members and visitors in the dart area and will be kept and maintained. This log will be kept as an official Record for each night's play. If a person does not provide their information for the log, then they will be asked to leave immediately.

#### SIGNAGE

1. Signage will be displayed on tables and entrance to the venue and will be updated in accordance with changes made by the Commonwealth and State Government
2. Entry & Exit Signs will be displayed to ensure correct movement at the venue.

## Return to Play Plan.

---

### Entry to Venue

Nominate a COVID-19 Co-Ordinator who will be responsible, along with the committee to implement & oversee the following;

- a. Have someone on the door when everyone walks in to direct them to complete & sign the register and remind them to use hand sanitizer & wipes supplied at the tables.
- b. Everyone that enters room must sign and confirms contact details are correct, failure to do so will mean they will not be granted entry.

### Pre-Match Briefing

The COVID-19 Co-Ordinator or a Committee Member will address the players before the games commence and highlight the following;

- c. Inform each player to use sanitizer wipes on Mobile Phones, wallets or purse, darts and darts equipment they have.
- d. Each player to read list of guidelines on each table.
- e. Advise them of the points covered under "**Playing the game**" below
- f. Encourage everyone to download the COVID-19 app on their phones.
- g. Entry to the Club is through the front door and exit through back door near toilets at the rear of the club.

### Playing & Social Distancing

#### Social distancing

- Encroachment rules will be enforced and if possible, a 1.5 metre line will be permanently placed behind the oche. (If not possible then this line will be drawn prior to start of play.)
- A mark will also be placed (where possible) for the Chalker to stand on, once a player commences their walk to the board to retrieve their darts.
- Non-Playing Team members will be seated behind the 1.5 metre mark and maintain Social Distancing protocols at all times when they are seated for more than 15 minutes.
- Wherever possible we will have a spare table or Board between matches underway.
- Our venue room calculation shows that we can accommodate a maximum of 56 people.
- Players will use their own pens and we have supplied wipes for each table, everyone will be instructed to clean the pen allocated to them after use.
- WJRLFC Staff to come to table to take drink & food orders.

### Return to Play Plan.

---

- Smoking area - WJRLFC is responsible for this designated area and will monitor the number of people able to access this area.

#### Playing the game

- Captains will be required to write their teams on the board, separately prior to the commencement of the game.
- Captains are responsible for their team's compliance with the guidelines however players are ultimately responsible for their own adherence to these guidelines and if they continually do not comply, they will be asked to leave the venue.
- Games will no longer start and finish with a handshake, players will be reminded at the team meeting at the beginning of each night's play.
- Players will retrieve their darts and move away from the board on the opposite side of the Chalker.
- The Chalker will only leave the mark when the player has returned to the Oche or beyond.
- The Chalker will use the supplied wipes to clear the score from the board & wipes disposed of in the bin. **They will not use dusters, as they have been removed.**
- The Chalker will have their own marking pen then use sanitize wipes when finished with it.

#### Cleaning

WJRLFC controls the cleaning of the premises & we have organised a cleaning schedule with them for the room to be cleaned after every event. This will include;

- Internals & externals of each board to be cleaned with Sanitizer wipes.
- Darts flight cabinet, after players access either the cabinet or Storage cupboard the touched surfaces are to be wiped down with Sanitizer wipes. A supply of sanitizer wipes will be supplied in this area.

#### Attachments:

1. Current Floor Plan
2. Room to People Ratio Calculation
3. Sample of Sign In Register that is to be kept for 56 days as per requirements
4. Amended Room Plan for Playing Tuesday/Wednesday Nights whilst room limit is 20
5. Agreed signage for the entry point and wherever the sanitizer or wipes are located.

### Return to Play Plan.

---

Floor Plan Dimension – refer diagram which shows the current layout before COVID-19

Total Area Leased – 22.7m x 12.46m = 282.842 sqm

**Less** Bar Area – 4.66m x 6.32m = 29.451sqm

**Less** Entrance – 3.14m x 4.09m = 12.843 sqm

**Less** Toilets – 3.96m x 4.09m = 16.196 sqm

**Total** Playing and Viewing area = 224.352 sqm

**224.352 sqm / 4sqm per person = 56 people in the room**

#### Tuesday Night

8 teams x 4 players	= 32
Bar Staff allocated to the room	= 1
Non-Playing personnel	= 1
<b>Total</b>	<b>= 34</b>

#### Wednesday Night

8 teams x 6 players	= 48
Bar Staff allocated to the room	= 1
Non-Playing personnel	= 1
<b>Total</b>	<b>= 50</b>

## Return to Play Plan.

**CLEAN HANDS SAVE LIVES**

Queensland Health

Duration of hand-wash: 15-20 SECONDS (Steps 2 to 10)

12 steps to successful everyday handwashing

1. Wet hands with water.
2. Apply enough soap to cover all hand surfaces.
3. Lather thoroughly.
4. Rub hands palm to palm.
5. Rub hands palm to palm with fingers interlaced.
6. Rub back of hand using the palm of the other with fingers interlaced.
7. In a circular motion rub the tips of fingers in the palm of the opposite hand.
8. Clean thumb by holding in the other hand and rotating.
9. Rub wrist with the opposite hand.
10. Rub hands with clean paper towel and use paper towel to turn off tap.
11. Use both fingers and rub back of fingers on opposite palm.
12. Rinse hands with water.

When performed correctly, hand hygiene results in a reduction of microorganisms on hands. Poor hand hygiene contributes to the spread of pathogens, which can cause health issues such as gastrointestinal and respiratory infections.

Please note: These guidelines are for social handwashing only, such as after reference and before leaving home. This poster is recommended for use in educational settings.

# COVID-19

Protect yourself and loved ones

Help prevent the spread of respiratory diseases like COVID-19

- + WASH YOUR HANDS**  
Wash your hands with soap and warm water regularly.  

- + COVER A COUGH OR SNEEZE**  
Cover your cough or sneeze with your sleeve, or tissue. Dispose of tissue and wash your hands afterward.  

- + DON'T TOUCH**  
Avoid touching eyes, nose or mouth, especially with unwashed hands.  

- + KEEP YOUR DISTANCE**  
Avoid close contact with people who are sick.  

- + STAY HOME**  
If you experience respiratory symptoms like a cough or fever, stay home.  

- + GET HELP**  
If you experience symptoms of COVID-19 (cough, fever, shortness of breath), call your health care provider or local health department before seeking care.

## Return to Play Plan.

Protect yourself and others from infectious COVID-19

### SAFETY TIPS ON COVID-19 (SARS-CoV-2)

**What is COVID-19 ?**

- COVID-19 is a disease caused by a coronavirus named SARS-CoV-2 which is the same strain but a different type from the viruses that caused the SARS outbreak ( in 2002-2003 ) and MERS outbreak ( in 2012 ).
- Coronavirus is a family of viruses known to cause illness ranging from common cold to severe pneumonia.
- The first case of COVID-19 was detected in Wuhan city, China, in December 2019 and has spread throughout the world since then.

**Common Symptoms**

- Fever
- Runny nose
- Sore throat
- Cough
- Breathing difficulties

**Severe Symptoms**

- High fever (38°C / 100.4°F or higher)
- Pneumonia
- Kidney failure
- Death

**How is it transmitted ?**

- Cough or sneezes from infected person
- Touching contaminated objects
- Animal contact

Precautions To Take

Wash hands frequently with soap or alcohol-based hand rub.	Observe good personal hygiene at all times. Avoid touching eyes, nose or mouth with uncleaned hands.	Avoid close contact with people suffering from a fever and cough.	Avoid contact with stray animals, sick animals, waste and fluids in the animal product markets.
Avoid consumption of raw or undercooked meat.	If you have fever, cough and difficulty breathing, seek medical care early, especially if you have traveled in China or have met someone who has traveled from China.	If you have a cough or runny nose, wear a mask in public space.	When coughing or sneezing, cover your mouth and nose with tissue paper or flexed elbow. Discard tissue immediately into a closed bin and clean your hands.

Source: WHO, CDC ( Feb. 2020 ). Research on COVID-19 is still underway. The information on this poster might be updated as the situation evolves.
